Dear Parents,

## **P6 Preliminary Examination**

Our P6 students will be sitting for their Preliminary Examination this term. This is an important milestone in their learning journey, and we seek your continued support in helping them prepare confidently and meaningfully.

To ensure a smooth and fair experience for all students, please take note of the following:

### **1. Absence from Examination**

In alignment with national examination guidelines, students who are on medical leave or are unwell with fever or flu-like symptoms should not sit for any school-based examination.

Students with valid reasons for their absence may be allowed to take the examination on a later date as a make-up.

### **2. Punctuality**

We strongly encourage all students to arrive on time for every paper. In the event of late-coming, the Principal will decide whether the student may sit for the examination. Please note that no extra time may be given.

### **3. Conduct during Examination**

Students are expected to uphold the school's values, especially **integrity**, during this period. Any form of misconduct — including cheating, assisting others to cheat, or misbehaving — will result in strict disciplinary action. This may include a mark of zero for the affected paper(s).

#### **4. Preliminary Examination Schedule and Subject Details**

Please refer to the attached documents for detailed information on the examination schedule and subject requirements.

We wish all our P6 students the very best as they prepare for the examinations. Let's continue working together to support them in giving their best effort, while also taking care of their well-being.

Thank you for your partnership.

Yours sincerely,
