Dear Parents,

## **PRELIMINARY EXAMINATION**

Our P6 students will sit for the Preliminary Examination this term.

### **(1) Absence from Examination**

In alignment with national examination guidelines, students who are on medical leave or are unwell with fever or flu-like symptoms should not sit for any school-based examination.

Students who missed the examination with valid reason may be allowed to sit for the examination at a later date as make-up.

### **(2) Late-coming**

The Principal will have the discretion to decide if a student who is late is allowed to sit for an examination. Students who are late for the examination and allowed to sit for the examination may not be given any extra time.

### **(3) Conduct during Examination**

The school will take strict disciplinary action against students who cheat, attempt to cheat, assist in cheating, or misbehave during the examination, in the classroom or outside the classroom. Students may also be given a '0' in such circumstances. They are expected to demonstrate the school values particularly the value of integrity at all times.

### **(4) Preliminary Examination Information for Parents**

You may refer to the attachments for the specific information on the examination for the various subjects.

Thank you.

Yours sincerely,

Ms Tan Hui Ping
